20-CV-7033 (JPC) (RWL)

**ORDER**

**ROBERT W. LEHRBURGER, United States Magistrate Judge.**

The Court has reviewed the declaration of Christopher Schmidt filed by Plaintiffs at Dkt. 311. The Court will schedule a conference to address the laptop decryption matter further, including, in particular, the information set forth in paragraphs 8-12 of the Schmidt declaration. Plaintiffs shall be prepared to answer the following question among others: why should Plaintiffs not be compelled to commission Archer-Hall to carry out the data analysis (described at paragraph 10 of the Schmidt declaration) to determine if decryption was successful? Plaintiffs shall have Mr. Schmidt attend the conference. Plaintiffs may obviate the need for the conference by agreeing in advance to carry out the data analysis.

SO ORDERED.

A handwritten signature in black ink, appearing to read 'R. Lehrburger', with a long horizontal stroke extending to the right.
